COMMERCIAL PROJECTS

- **Kip's Cafe & Pet Adoption Center:**
Designed a cafe from a gas station/restaurant as a tenant improvement project. Used AutoCAD, Revit, and Photoshop to create digital renderings and construction documents.
- **Operation Underground Railroad Aftercare Center:**
Created an aftercare center and healthcare clinic for the community in Thailand. Used AutoCAD, Revit, Photoshop, and Illustrator to create renderings and posters.
- **ADA compliant medical spa:**
Transformed an existing space into a functional medical spa, creating a set of construction documents by using AutoCAD.

RESIDENTIAL PROJECTS

- **Tiny House-Doublet:**
Created a custom 1,000 square feet house with a set of construction documents. Used AutoCAD, Revit, Photoshop, and Illustrator to create renderings and posters.
- **19 Dutch Luxury Apartment :**
Space planned and designed a luxury apartment for Young Huh. Used AutoCAD, Revit, Photoshop, and digital hand rendering to create renderings.
