PROJECTS

MILLENNIAL'S NYC APARTMENT

Created a model apartment in NYC with custom furnishings and wall-coverings. The project was overseen by, and presented to, Young Huh.

INDIAN O.U.R. AFTERCARE CENTER AND CLINIC

Inspired by the mission of O.U.R., a new aftercare center with an attached medical clinic was designed in New Delhi for rescued victims. Special consideration was given to safety and the healing effects of design.

NEXT EDUCATION CENTER

Converted the Steelcase showroom location in Washington, D.C. into an education center for the NEXT competition. Emphasis was placed on wayfinding and Biophilia

NATALIA'S BRAZILIAN FOOD TRUCK

Developed a brazilian food truck brand and produced a truck wrap as well as other promotional items.

THERMADOR KITCHEN COMPETITION

Designed a kitchen for a hypothetical family with priority given to use of Thermador products. Final design was submitted for the Thermador student kitchen competition.
