## WORK EXPERIENCE

### FFKR ARCHITECTS

Interior Design Intern  
May 2020 - Present

Worked on projects regarding architecture, interior design, space planning, and construction  
Ordered samples and worked with sales reps to obtain materials  
Assisted with furniture selection  
Generated a variety of construction documents in Revit  
Designed tile floor patterns, stain glass windows, and a variety of other interior components for Ids temples

### MYERS ANDERSON ARCHITECTURE

Interior Design Intern  
May 2018 - August 2018

Collaborated with experts in the fields of architecture, interior design, space planning, website maintenance and graphic design to complete professional projects  
Converted field measurements into floorplans in AutoCAD  
Assisted in branding and signage development for a small business  
Met with clients to discuss a neon sign restoration project and create renderings for them in Photoshop and sketchup  
Created material boards and gathered samples for client presentations

### DOWNEAST HOME FURNITURE

Visual Specialist  
May 2018 - March 2020

Plan and stage the retail floor weekly to increase sales and aesthetic appeal  
Work with customers from a design perspective as they seek the proper furniture and accessories for their space  
Present knowledgeable information about furniture  
Order furniture from the warehouse and fulfill orders  
Resolve issues calmly by finding proper resources and using problem solving tactics

### UTAH STATE UNIVERSITY
