EXPERIENCE

Junior Designer - Havenly Online Interior Design, Logan, UT August 2019 - October 2020

- Assist clients in designing their ideal spaces through space planning and redecorating
- Pick furniture, fixtures and decorations to redesign client's spaces and present ideas through mood boards
- Render clients existing spaces with new design to provide a visual understanding of their new space
- Communicate with multiple clients simultaneously to ensure their satisfaction and incorporate their feedback

Manager - Dunker Beal Interior Design, Logan, UT June-December 2018

- Reconstructed retail and inventory system to function more efficiently
- Organized and staged show room floor to increase aesthetic appeal and functionality
- Provided design assistance to customers to create stunning designs
- My time here ended due to the showroom shutting down
