## WORK EXPERIENCE

### Interior Design Assistant Instructor

*Bridgerland Technical College*

Aug 2019 – Feb 2020

*Logan, UT*

- Developed new curriculum for calculations, space planning, and architectural detailing courses to streamline learning, remove redundancies, and implement effective assignments.
- Advised over 25 students on their course assignments and projects to help them improve their work and grow as designers.

### Warehouse Fulfillment

### Data Entry Position

*ThermoWorks*

May 2018 – Aug 2019

Oct 2017 – Jan 2018

*American Fork, UT*

- Minimized shipping errors by maintaining a methodic process to achieve one month of error free shipping.
- Approved an average of 200 product orders per day, and surpassed the average processing rate by 30% during the holiday season to achieve the company goal of processing every order in the queue each day.
- Collaborated with employees in other departments to quickly fix errors on order forms.
